Commitment to Education
CoS Visual Art Day
UOW UNIque Experience Day
DELIVERING EXCELLENCE, INNOVATION, OPPORTUNITY AND SUCCESS
HSC Trials

All Year 12 students have studiously been preparing for their trial examinations, we wish them all well and I am sure that the preparation, hard work and commitment demonstrated by so many will result in pleasing trial examination outcomes.

Social Networking

As a follow up to our recent workshop for parents on the use of social media websites and apps I have included in this newsletter a fact sheet from www.thinkuknow.org.au. This week the fact sheet details information about Instagram, others will follow in future newsletters.

As always we are reminding students of the importance of the responsible and respectful use of all social media and of the digital footprint that they are creating.

Creative and Performing Arts

The opportunities for student involvement in CAPA at Woonona High are impressive. The musical production is well underway, 20 Year 9 and 10 students are exploring their creativity in the development of an opera production, Year 9 and 10 drama students have been invited to perform at the South Coast Drama festival, the junior school band and Community of Schools band continue to rehearse and perform weekly, individual students are taking the opportunity to have individual tuition in a range of musical instruments, the “Boomerangs” were invited to sing at the Illawarra Schools Indigenous Reconciliation morning tea, public speaking and debating students are engaged in a number of local and state competitions and 20 primary school students are engaged weekly in the Community of Schools Visual Arts after school tuition program.

All are wonderful opportunities and experiences for our students, thank you to the CAPA staff who continually provide an array of quality learning programs and initiatives.
On Tuesday 2 June, students from our Community of Schools feeder primary schools attended our Visual Arts Day. As with all of Woonona High School’s Community of Schools events, the day was implemented to continue to allow primary students to engage and become familiar with their future high school surroundings and to build positive connections with their peers.

Those students who attended the day were treated to some of the skills and practical activities of the Stage 4 Visual Arts curriculum. The students started the day by learning about pattern and then coming up with a scratchboard design. They then did a series of ink prints of their foam board.

The afternoon was spent with Mrs Armstrong building clay "angry birds" or fish. These were fired then painted later in the day by the students.

Thanks to the students that attended for their enthusiastic attitude on the day and a big thank you to Mrs Armstrong and Mr Hoole (WHS Visual Arts Teachers) for coming up with some engaging and challenging art activities.

As Mr Hoole said it was a “very productive, very messy and very energetic day”.

Report from Mr Mucci (Year 7 Year Adviser)

and Mr Hoole (Art Teacher)
On Thursday the 11th of June, 38 Year 10 students boarded the bus bound for the University of Wollongong (UOW) to attend the 2015 UNIque Experience Day. The students attended ‘Taster Sessions’ which were actual, ‘real’ university lectures.

I was able to attend lectures on Teaching and Social Science. The Social Science lecture explored negative effects of globalisation while the teaching lecture looked into ways teachers can help students excel at school.

Lunch was on the McKinnon Building front lawn and it had the ‘real’ feel of a university experience. All students also had a campus tour checking out the facilities of Arts, Sciences, Early Childhood Learning and more. We also saw the on campus uni-bar and all the other commercial outlets that are available at UOW.

The day concluded with a goal setting session. Students set three goals and put them into a letter that will be delivered to us in one year’s time.

Overall the day was informative and helped many of us resolve to do well in our senior years and gain entry to university.

Thank you to Mr Chamberlain and Mr Zubovic for taking us as well as all the mentors, academics and various UOW staff that made the event possible.

Brian Aboozaid (Year 10)
On the 11 June our Year 11 SRC members travelled to Wollongong University to participate in the young leaders forum known as “Elevate”. On the day we learnt about different leadership styles and we heard from Brendan Newton who holds the record for the biggest wave ridden on a Body Board. We heard about his life and how he learnt about becoming a leader and the struggles he has faced in life. The aim of Elevate is to enrich our own personal leadership skills.

Jaime Carter said: “It was a fantastic day and we learnt a lot about our own leadership styles”.

Taylah Carter said: “Can’t wait for the next day”.

All in all it was a great day and a great time, we all look forward to going back again in August and November to catch up with the new people we have met.

Report from Sam Rogers
Year 11 SRC member

"BEANIE AND SCARF DAY” RAISES FUNDS FOR THE HOMELESS IN THE ILLAWARRA

On Friday 12 June, the SRC held a beanie and scarf day to raise funds for the Homeless in the Illawarra. Students wore an array of beanies and scarves to get into the spirit of the day.
All funds raised were donated to the Wollongong Homeless Hub.

The Wollongong Homeless Hub provides services to the people without accommodation and offers a range of services. Clients are able to access multiple agencies from a single point. Computers, photocopiers, fax machines and telephones are offered free of charge to people accessing services. Community engagement officers are available for support and other support services are also available to clients.

Well done to the SRC and Elleigh Price our School captain for organising the day!"
Dylan Fildes and Donevan Moss attended the Corrimal Rotary dinner meeting on the evening of Wednesday 10th June, to speak about their experiences at MUNA, the Model United Nations Assembly held at Nan Tien Temple last month.

Dylan, Donevan and Akira Groben had been sponsored by the Corrimal Rotary to attend this very educational and eye-opening event. Dylan and Donevan took the opportunity to thank the Corrimal Rotary Club for their support, and both spoke about their experiences on the day. It was great to see the boys reflect on what they had learnt about world affairs and international politics as a result of this opportunity.

Our students spoke very well on the evening and impressed the Rotarians with their maturity and interest in current affairs. They were also very interested to listen to a guest speaker from Nepal talking about the reconstruction effort after the earthquake, and learning about all the volunteering done by Rotary in the community. Our very own French exchange student, Mathilde Huguerre, was also at the dinner feeling very sad that she has to go home to France soon.

Thank you to Donevan’s mum, Mrs Rhonda Moss, for attending the dinner; and a huge thank you to the Rotary Club of Corrimal for their ongoing support of our great students.

Ms. Matthews
Head Teacher English
As a continuous commitment to Reconciliation Week, the Northern Illawarra schooling area nominates several students to recognise and celebrate their continued achievements. Students can be recognised in any area including academic achievement, academic excellence, excellence in a particular subject/sport/talent, continued effort in school and many other areas.

This year saw Teya Storm of Year 12 recognised for her consistent commitment to her education, particularly in the areas of attendance and engagement. With 100% attendance at school and consistently achieving ‘Always’ on her monitoring cards, Teya is a quiet achiever who never big notes herself but always does the right thing. She gives the acknowledgement of country at school assemblies and other formal events, and has been active in the community in areas such as soccer, gymnastics and cheer-leading.

It is wonderful to see that Teya’s poster will be displayed and will travel around schools in the region to act as a role model for other Aboriginal students. Teya will be formally recognised at events during NAIDOC week and we know she will represent our school with pride.

NEPAL FUNDRAISER

Nepal was hit by a 7.8 magnitude earthquake on April 25 followed by a major after shock of magnitude 7.3 on May 12. The results have been heart breaking with over 8 500 people killed, more than 19 000 injured, nearly 500 000 houses destroyed, 250 000 houses damaged and 6 000 schools destroyed which means nearly 1 000 000 children can’t return to school. In total 8 million people have been affected.

Sambhav Nepal is a Nepal based charity which has been active for many years in rural parts Gorka, close to the epicentre. They need our help and one of the areas we have decided to support is the rebuilding of schools.

On Thursday 18 June the Ms Mete (Food Technology Assistant) is organising to hold the following fundraiser:

**RECESS - SPIDERS $2 LUNCH - SAUSAGE SAND.**

$1.50

- MUFFINS $1

- MEAL DEAL — $3.00

Delivering excellence, innovation, opportunity and student success
The Woonona Community of Schools Band Program has been running successfully since 2012 and this year we have 20 students from Russell Vale and Woonona Primary Schools participating. Each Wednesday afternoon during sport time, these students come to Woonona High School to learn an instrument and rehearse as a band. Our senior music students and outside instrumental tutors provide small group instruction on flute, clarinet, saxophone, trumpet, trombone, guitar, bass and drums.

The primary students have only been playing their instruments since Week 5 in Term 1 but we are already rehearsing as a band and they are sounding great. We also run a Junior Band on Tuesday mornings from 7:30-8:30am for high school and primary school students who have been playing for at least a year. Many of our junior band students also attend the Primary Band rehearsals on Wednesdays to help our tutors.

I would like to thank all of our Woonona High School students who assist with this program each week and to congratulate our primary band for their progress so far. The Primary and Junior Bands will be performing later in the year – details to come.

We also run a tuition program for instrumental and vocal lessons before and after school and we currently offer guitar, bass, drums, keyboard, violin, flute, clarinet, saxophone, trumpet and trombone. All lessons are conducted by qualified music teachers in the Music Rooms at Woonona High School. Private lessons cost $20 per half hour and partner lessons cost $10 per half hour.

Please see Miss Sharp in the Music Department to register your interest or email Rhiannon. Sharp@det.nsw.edu.au.
WOTOPERA PROGRAM

In 2015, we are proud to be taking part in the WotOpera program with three other Wollongong High Schools. WotOpera unlocks the creative potential of young people as 20 students from each school write a short opera to be performed at the Illawarra Performing Arts Centre on Thursday 25\textsuperscript{th} June at 7pm. The students will participate in four one-day workshops to produce their own stories, compose music and design and paint their own sets from Week 6-9 in Term 2, commencing on Thursday 28\textsuperscript{th} May.

During Week 10, students will be involved in rehearsals during Thursday before performing in the evening concert with the other schools at the IPAC at 7pm. Our Year 9 and 10 performing arts students are thoroughly enjoying the program and we hope you will come along to the performance. Tickets are $10 for adults and $5 for concessions. Bookings can be made at merrigong.com.au or by phoning 42 245 999.

For more information please see the included poster below or contact the Music Department.
THIS WEEK AT ASSEMBLY

Earlier on this term four of our Year 12 WRAP students did work experience at the Illawarra Coal Careers Expo. This week at assembly the students, Sarah Armour, Austin Brooks, Jack Dugan and Benjamin Mort were presented with certificates of appreciation. Staff at the expo commented on how efficient and hard working our students were at the expo. Well done to these students.

This week at assembly Woonona High School’s Regional Cross-Country representatives were presented with their medals. These students all competed at the Regional Cross Country Carnival held at Nowra on the 29 May.

Pictured are Kurt Decker, Jay Archer, Kane Dorrian, Phoebe Basham, Jarvis Paterson, Bronte Sweeney, Isaac Warburton, Zara Sharman, Brooklyn Younger.

Woonona High School athletics Carnival was held on Thursday 21 May. This week at assembly our age champions were congratulated.

The age champions, pictured left to right are: (Kaisha Parsons, Zara Sharman, Angus Rawlinson, Abby McConnell, Jack Dugan, Erin Maher, Mahley Carr-Smith, Brooklyn Younger, Cooper Rostirollo, Jarryd Arnold, Anakin Hughes. Congratulations to all these students.

Delivering excellence, innovation, opportunity and student success
UNPLUGGED 16

On Tuesday 23rd June Woonona High School will hold its 16th Unplugged Concert. These concerts have been running since 2010 and were initially designed to raise money to purchase a grand piano for the Hall. After purchasing the piano in 2011, the concerts have continued to be a strong tradition with many talented students of all ages performing great live music once a term. A

All money raised now goes to the maintenance of the piano and the purchase of other equipment for music performance.

Tickets are $5 for kids, $10 for adults and $25 for a family of 4. They are available to purchase on the night.

The concert is at 7pm in the Hall. We hope to see you there!

THE WIZ – MUSICAL PRODUCTION

Dress rehearsals have now begun for our school production of “The Wiz” and the show promises to be a great night of entertainment including singing, acting, dancing, a live band and circus performers, along with a crew of technical assistants and stage hands. Performances will be held during Week 1 of Term 3, on Wednesday 15th July and Thursday 16th July at 7pm. Tickets will be available to purchase later this term. The show follows the story of The Wizard of Oz with funky Motown music and quirky characters. The show was a hit on Broadway in the 70s and the movie starred Michael Jackson and Diana Ross. Come along for a great night of live entertainment.

Miss Sharp (Music Teacher and
OPEN BOYS AND GIRLS OZTAG

On the 19 May Woonona High School Oztag teams competed in the Illawarra Open Boys and Girls Oztag competition.

Both teams played 8 games each and they both made the finals rounds. Both the boys and girls teams went down 2-0 in the final for the whole of the Illawarra!

It was an extremely good effort on the part of both teams and I am extremely proud of them. They played tough games even having Year 8/9 girls playing in the Year 11/12 girls team and Year 9/10 boys playing into the Year 11/12 boys team. Congratulations to all team members.

U13’s RUGBY LEAGUE

Year 7 Woonona High School student Stuart Logan and the “Illawarriors” under 13 Rugby representative side contested the Junior Country Rugby Championships at Armidale last weekend. On Saturday the boys braved the freezing conditions to win all three pool games without a point being scored against them.

Sunday morning dawned bright and clear but it was only three degrees. This however didn’t slow the lads as they played strong and determined rugby to beat mid north coast in the major semi final 19-15.

It was a bruising game and when the final was played in the afternoon (now 13 degrees thank goodness) the bumps and knocks had taken their toll over the 2 day carnival and they succumbed 12-5 to Hunter in the grand final.

The boys played excellent team rugby all weekend and can certainly hold their heads high in being runners up.

The team contested the Junior State Championships over the long weekend under some slightly warmer conditions.

The boys beat Randwick in the pool games but lost to Hunter in the qualifying round. On the Monday the team beat Warringa in the grading match.

Once again the team played well and the boys should be congratulated on their efforts.

Report from Mr Nick Logan
LOCAL AUTHOR TO VISIT WHS

Award-winning local author Claire Zorn will be visiting the Library on Wednesday 17th June. Claire Zorn lives on the south coast of New South Wales with her husband and two small children. She has a Bachelor of Fine Arts and a Post Graduate Diploma in writing. She is a music lover, retro furniture collector and amateur swim-club enthusiast. Any Book Club members or interested readers are invited to attend provided they have permission from their Period 3 class teacher. Claire’s recent books “The Protected” and “The Sky So Heavy” are both available for borrowing in the Library.

BOOK CLUB

This week Book Club members were treated to guest speaker Mr Anderson speaking about Zane Grey’s “An American Angler in Australia” and the journal “Fly Life”.

Australia brings to mind images of the Great Barrier Reef, great white sharks, huge crocodiles and friendly people. Zane Grey fished everywhere, but he often found himself lured back to the Pacific especially around Australia and New Zealand. Most of the fish caught in An American Angler in Australia are sharks (great white, tiger, even a few carpet!) but you can’t go big game fishing in Australia and not expect to be teased by marlins. Zane has captured his experiences in his book.

“Fly Life” is a journal that features the best salt water and fresh water fishing in Australia and New Zealand.
NAIDOC WEEK CELEBRATIONS

This week at Woonona High School students were in preparation for NAIDOC Week celebrations.

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. NAIDOC week is traditionally held the first week in July and is time to celebrate Aboriginal and Torres Straight Islander history, culture and achievements. It is also a time to recognise the contributions that indigenous Australians make to our country and society.

This week the library has been preparing a NAIDOC Week display with many aboriginal artefacts, whilst indigenous students have been busy with artworks to complete the display. Next week there will be a NAIDOC CoS Aboriginal games day and many other celebrations have been planned. A full coverage of the activities will be reported in following newsletters.

MANGA ANIME CLUB

The next meeting of the Manga Club will be held on Tuesday 16th June at lunchtime in the Library.

VOLUNTEERS WANTED!

More Year 9/10 volunteers are needed for Russell Vale Primary School Infants Reading Program starting 16th June. Please report to the Library if you would like to participate.
YEAR 12 TRIAL HSC EXAMINATIONS
Good luck to all Year 12 students now writing Trial Exams. The efforts you put in will hopefully pay off and half of you will gain the ‘Early Admission’ offer you are seeking. Those of you seeking entry to TAFE or trying to land jobs and apprenticeships will be able to proudly show your results to employers and teachers.

“TASTE OF TAFE”
A group of Year 10 students will be attending a ‘Taste of TAFE’ at the Wollongong Campus of TAFE Illawarra on Wednesday 24 June.

BLUSCOPE STEEL CAREER SNAPSHOT DAYS
This is a chance to visit the Port Kembla Steel works for a tour in order to get an idea of the roles of Material and Chemical Engineers. Interested students visit tours@aiw.org.au or ring Lynne Radburn on 42757023.

Proposed dates are; Monday June 29, Tuesday June 30, Wednesday July 1, Thursday July 2 and Friday July 3.

THIS IS A MUST FOR STUDENTS CONTEMPLATING APPLYING FOR CADETSHIPS IN ENGINEERING WITH BLUSCOPE AND RUN THROUGH UOW.

TAFE & APPRENTICESHIPS

Group Training Organisations
Group Training Organisations (GTO) provide a training and employment arrangement, where an organisation employs apprentices and trainees and places them with host employers. A GTO undertakes the employer responsibilities for the quality and continuation of the apprentices’ and trainees’ employment and training. To learn more or find a local Group Training Organisation, visit:

PRIVATE COLLEGES

Whitehouse Institute of Design Open House
Fri 19th June – Sat 20th June, 2 Short Street, Surry Hills

Whitehouse Institute of Design Australia will host ‘Open House’, an invitation for potential students, school leavers and the general public to experience the Sydney and Melbourne campuses, as well as discover what their students have been working on.

Contact: 1300 551 433 or enquiry@whitehouse-design.edu.au

Academy of Information Technology Information Night
Tue 16th June, 6.00pm – 8.00pm, Level 2, 7 Kelly Street, Ultimo

An interactive seminar providing an opportunity to learn more about the curriculum, course requirements and study pathways at AIT.

What is Instagram?
Instagram is a photo-sharing app which allows users to take photos, apply a filter and share content with either followers or the general public. Users are able to 'like' and comment on photos as well as send these images directly to individual followers. Instagram also allows users to post short videos.

What is the age classification for Instagram?
Instagram is recommended for users aged 13 years and above, however there are many underage users.

How are young people using Instagram?
Instagram is being used by young people to share photos, occasions and situations with their friends. The ability to like and comment on photos provides a useful communication function for young people as they explore and express their personality.

Should I be worried if my child is using Instagram?
Any application when used incorrectly, has the potential to cause harm. It is important that you openly communicate with your child about how they may be using an application and the legal and ethical ramifications of inappropriate use. They also need to be aware of the dangers of communicating with people they don't know via any mobile application.

What are the privacy settings on Instagram?
Accounts on Instagram can be shared with anyone, or with those you approve as followers only. This can be done via the Instagram app on your mobile device. First select the Profile option on the lower right-hand side of the screen. In the Edit Your Profile section scroll to the bottom of the screen and ensure Photos Are Private is in the On position and select Save.

What could be revealed through an image?
A concern with photos which are taken and shared via a mobile device is that they may contain geolocation information. Geotagging refers to the embedding of location data, such as GPS coordinates, in images taken on smartphones and some digital cameras. When these images are shared online, the location data is often also shared. This may allow others who have access to the file to determine where the image was created, potentially revealing your home address.

How can my child limit geolocation information?
It is important for your child and you to know how to disable the geolocation function for the camera on the smartphone or mobile device your child utilises. For iOS devices, this can be disabled by accessing Settings > Privacy > Location and disabling for Camera. On Android devices, users need to open the Camera app, access Settings and disable GPS tagging. If you are unsure how to do this on your device, please access the online user guide for the model of device.

It is also useful to discourage children and young people from using the Photo Map function on Instagram. This capability plots users' photos on an interactive map and could reveal sensitive location information.

What are the potential problems with Instagram?
It is important that young people only allow people they know and trust to access their photos and learn how to block and report inappropriate users. You can block users via the Instagram app on your mobile device. Open the profile page of the offensive user and select the Further Options icon on the upper right-hand side of the screen. Select the Block User option and when prompted by the dialog box, select Yes, I'm sure.

Sharing images that are rude, offensive or sexualised can see young people in breach of State and Commonwealth legislation that carry serious legal consequences. Ethically, young people need to be aware of the impact that their online behaviour has on others as well as their own reputation.

How can I delete my child's account?
If after talking with your child about the ethical use of Instagram and your family's rules around technology, you may think it's appropriate to delete the Instagram account. To delete an Instagram account log into the account at instagram.com, click the account username in the top right and select Edit Profile, click I'd like to delete my account in the bottom right.

Note: Accounts can not be reactivated and photos may be lost. Open and supportive discussions around technology usage are vital in ensuring your child understands their responsibilities when using technology. Simply removing the technology is not the best response as it could potentially drive your child's usage underground where there are fewer opportunities for you to support them.

For more information visit www.thinkuknow.org.au
The HSIE Faculty is once again in the process of organising an excursion for 2016. At this stage the journey will take the form of a flight from Sydney to Uluru, thence coach travel and camping our way through areas such as Katherine Gorge, Kings Canyon, Mataranka Springs, Kakadu and many other locations, with our final stop in Darwin.

The final costing is yet to known, but will be in the vicinity of $2000.00 and will be advertised as soon as the quotation is received from the travel agent. At this stage the trip will be over a two week period at the end of Term 3, 2016 with the actual dates yet to be confirmed.

Instalment type payments are envisaged, with prospective travellers having 12-18 months to save and pay.

This is still in the early stage of planning, however, expressions of interest are now being sought from students that will be in Years 9, 10 and 11 next year that may be keen to travel and learn about their great country. As the final costing is dependent upon the numbers travelling, some indication of possible numbers will allow for more accurate costing.

Please email Mr Locke from the HSIE Faculty with your students name and class if you are considering taking up this offer. Enquiries may also be directed to Ms Coote, HSIE.

russell.locke@det.nsw.edu.au

WEP STUDENT EXCHANGE – LEARN AND DISCOVER THE WORLD!

WEP Australia is a not-for-profit student exchange organisation registered with the Education Departments in NSW, QLD and VIC. Applications for short and long-term programs commencing from November 2015 onward are open now. Students can choose from over 25 countries to live with a volunteer WEP host family and attend an overseas high school for a summer, semester or year. To request program information for your family, visit www.wep.org.au, email info@wep.org.au or call 1300 884 733.

Delivering excellence, innovation, opportunity and student success
My name is Ashleigh and I am a Travel Expert at STA Travel Miranda, located in Miranda Westfield Shopping Centre. The reason I am writing to you is because of a fantastic asset that STA Travel has exclusive rights to here in Australia, that will benefit both your staff and your students in many ways.

I’m referring to our International Student (ISIC) and International Teacher Identity Cards (ITIC). These cards are the only globally recognised and internationally accepted ID cards and are UNESCO endorsed as proof of student status.

These cards entitle to students and teachers to over 42,000 discounts both domestically and internationally and provides exclusive to student and teacher services globally, including some really amazing, exclusive travel discounts!! These cards are valid for a period of one year and a list of the benefits and participants can be found at isic.com.au

The cost for one of these cards is normally $30, however as an incentive to assist you and your colleagues and students to make use of one of these cards I’d like to offer you a discounted price on orders of more than 15 cards at only $25 each.

Please contact me on (02) 9523 0622 to make an appointment to discuss this offer or please feel free to contact me by email ashleigh.glass@stores.statravel.com.au

Thank you so much for your time and I look forward to hearing from you!

Best regards
Ashleigh Glass—Travel Expert
