PRINCIPAL’S MESSAGE

MS BELINDA WALL

Woonona High School students continue to excel in their transition from Year 12, 15 of the 2015 cohort joined with us to acknowledge and celebrate their individual achievement. Of the 2015 cohort 73% have just completed their first week at university an outstanding achievement that reflects the commitment and determination shown by our students in their preparation for their HSC.

Congratulations to all incoming SRC members, once again we have an outstanding group of young people who will actively contribute to the direction and future of WHS. Our formal assembly was a wonderful celebration of their successful nominations and I look forward to the many initiatives and awareness raising events that are already in the planning for 2016.

Leadership at Woonona High School is not restricted to the SRC student body, we have a number of other opportunities for students to become involved as school leaders. I would like to make mention of the mature, responsible and active leadership demonstrated by 7Z during our first transition event for students from our partner primary schools. As reported by Mrs McKenzie, they were wonderful ambassadors for WHS. Well done.

On Monday 7th March, we will be hosting our annual Open Night where many of our students have volunteered to be tour guides, classroom assistants or participants in classroom activities and exhibits, another example of student participation in leadership.

Year 7 peer support continues under the leadership of Year 10 students and Year 8 students are currently enjoying camp where many of them will be honing their leadership and collaboration skills.

So early in the year and many of our students are already enjoying the opportunity to participate in extra curricula activities, excursions and sporting events. We truly are a comprehensive high school with an array of academic, sporting, performing and leadership opportunities. As always I encourage all students to engage with and participate in the extra curricula activities available.
WHS annual HSC Achievement and SRC Induction Assembly was held on Thursday 25 February.

The whole school as well as invited high achieving 2015 HSC students and their families gathered to celebrate their achievements as well as induct our newly elected SRC members for 2016.

This year sixteen of our 2015 HSC students were honoured. Amongst them were (DUX of Year 12) Grace Murphy, outstanding HSC achievers Jonathan Cotterill, James Overton, Stephen Wallace and Nia Flahive. Recognition for excellent HSC achievement went to Brenna Petrolo, Tahlia Reynolds, Elleigh Price, Nathan Peary, Emma Maslowski, Alyse Egbers and Rose Murphy. Congratulations also to our high achievers Chad Butterworth, Ben Brien, Tim Pollock and Meg Taylor. WHS is proud of these students and all of our Year 12 2015 cohort.
Our SRC representatives for 2016 were also inducted at the assembly on 25 February. Congratulations to the following students:

2016 Executive: Amelia McPherson (Captain), Samuel Rogers (Captain), Jaime Carter (Vice captain), Taylah Carter (Vice Captain).

Year 11: Jay Archer, Akira Groben, Conor Johnson, Brenna Petrolo

Year 9: Phoebe Austin, Fletcher Bowler, Lalita Protosenko, Angus Smart.

Year 8: Tahlia Clennar, Harrison Dubin, Tishaan Styche, Arun Wanstall, Isaac Warburton.

Year 7: To be elected at the end of Term 1
Last Tuesday the 1st of March saw over 130 eager Year 6 students spend the day at Woonona High School for our CoS Transition Day. Students from Woonona, Russell Vale and Woonona East Public Schools were treated to a selection of fantastic Literacy and CAPA-themed activities as part of our Transition to high school program. Students participated in creative writing challenges, tested their public speaking skills, brought out their problem-solving and collaboration skills in grammar games and channelled their inner Shakespeare in “Poetry Corner”. The smiling faces and happy chatter as students worked together were testament to their enjoyment, and the enthusiasm with which they moderated each other in the Public Speaking challenge was very impressive.

Students were also able to participate in a variety of CAPA subjects including Music, where many a red face resulted from giving the trombone a try and, Art, in which students tried their hand at sketching. During Drama lessons the re-enacting of tragedy proved particularly popular, whilst the Dance class can only be described as “wicked” and “awesome”, with many keen Year 6 dancers demonstrating that they’ve got the moves!

In each of the activities on offer, the Year 6 students were very ably assisted by our very own 7Z students, who were not only wonderful hosts but also terrific ambassadors for Woonona High School. They carried out their duties with maturity and aplomb – well done and thank you 7Z!

A huge thank you goes to Mrs Matthews for her innovative and creative stewardship of the Literacy activities, and to Ms Sharp, Ms Steele, Ms King, Ms Bramley and Ms Johnstone for their incredible work on the day. Thank you to the ladies in the Canteen who opened early in order to allow Year 6 to purchase their delicious treats. The chance to visit the canteen at recess was embraced very readily, with lovely manners on display.

The overwhelmingly positive responses from the Year 6 students included comments such as: “Thanks for a great day”, “I had lots of fun and I really enjoyed it”, “An awesome day!”, and to top it all off “Thank you for having me. I cannot wait for WHS”.

So, thank you, Year 6, for an incredible day, and we can’t wait to see you again in Term 2!

Mrs McKenzie (Science Teacher)
CoS LITERACY / CAPA DAY  “EXPRESS YOURSELF”

Delivering excellence, innovation, opportunity and student success
Immunisation - Year 7 students who have returned their immunisation forms will be vaccinated in the hall on the Friday the 11th March.

HSC ENCORE EXCURSION

On Monday 22nd February Year 11 and 12 music students attended the HSC Encore concert at the Sydney Opera House. This concert featured exemplary performances and compositions from the 2015 HSC. Our students thoroughly enjoyed the show and were impressed with the high standard of performances and the variety of repertoire. It was a pleasure to see our students setting a great example both travelling to and visiting the Opera House. Thank you to Miss R Sharp and Miss Fripp for taking us.

MATILDA THE MUSICAL

On Wednesday 24th February a large group of our performing arts students travelled to Sydney to see Matilda the Musical. The show was completely sold out last year and we were very fortunate to secure tickets just before the season closes. The show is based on the famous Roald Dahl book and features hilarious lyrics and wonderful music from the well-known Australian musician and comedian Tim Minchin. All staff and students who attended were thoroughly entertained and enjoyed the production. Thank you to Mr Bretag for organising another wonderful trip to the theatre for us.

YEAR 7 IMMUNIZATION

On Monday 22nd February Year 11 and 12 music students attended the HSC Encore concert at the Sydney Opera House. This concert featured exemplary performances and compositions from the 2015 HSC. Our students thoroughly enjoyed the show and were impressed with the high standard of performances and the variety of repertoire. It was a pleasure to see our students setting a great example both travelling to and visiting the Opera House. Thank you to Miss R Sharp and Miss Fripp for taking us.

There are currently thirty four students enrolled in the Work Related Alternate Pathway (WRAP) to the HSC. All of these students are work ‘focused’ and seek to enter the work force in appropriate employment or vocational training programs upon leaving school. All of these students participate in mandatory Work Experience placements every Friday and are enrolled in vocational education subjects at school.

In 2016 all of our WRAP students have secured appropriate placements that suit each of their unique sets of abilities and vocational interest. Many of our WRAP students are offered employment directly as result of their Friday Work Experience either by the host employer or with another employer in the same industry. This year we have aspiring Green’s Keepers, Mechanics, Carpenters, Shop Fitters, Masons, Early Childhood Teachers, and Air Condition technicians.

The success of the WRAP program is displayed below. The destinations of students that enrolled in the program over the past four years are shown:

- Apprenticeships/Traineeships 52%
- Employed 26%
- TAFE or Private Colleges 21%

Thank you to all of the local employers that give our WRAP students the opportunity to learn employable skills.

Mr Chamberlain (Careers Adviser)
Woonona High Students kicked off March with a great day of sport, fun and excitement. There was a vibrant atmosphere at the Illawarra basketball centre as the courts played host to a huge schools Futsal tournament. This game is highly entertaining version of indoor five a side soccer and our under 14 students represented the school wonderfully.

Our teams performed very well and the students supported each other and enjoyed themselves greatly. We won as many matches as we lost during the day and some great team play was on display. Luke Bogovic thought he had scored the best goal of the day when his memorable free sailed into the top corner of the goal. Moments later however, Grant Overton performed a step over move, shimmied through a gap and composed himself before slotting the ball home. Everyone agreed that Grant’s goal was the ‘sickest’. He also somehow got himself into the girl’s team photograph.

Coach Walker directed her girls from the bench and they were relentless in their efforts.

Coach Holliday fed Allen’s Snakes to his troops to fire them up, which may explain the frenzied celebrations when Aiden Boyce finally scored the goal he’d worked so hard for all day.

Most importantly the students all had smiles on their faces as they clearly enjoyed playing in the tournament. No smile was bigger than Grant Overton’s though, as thinking he was playing FIFA on XBox, he went on two mad goalie runs all the way down the court, nearly scoring, before having to run quickly back to get into his goalkeeping area.

Report: Mr Holliday (H/T Mathematics)
Woonona HS met Corrimal HS at Dalton Park recently in a knockout tournament known as the Hassett Cup. The boys joined each other for a photo before the start of play and it set the tone for an friendly but competitive and enjoyable days cricket.

Woonona were sent in to bat and began well with its opening pair of batsmen Josh carter (9) and the impressive Brandon Burger (70). Connor Gray (36) put in a solid shift and he was supported well by Kane Dorrian (7) and the Donnelly brothers Sean (14) and Jack (7). Max Fletcher decided it was time to accelerate the innings and went about plundering 55 runs not out. He was supported by Isaac Warburton, Dane Stephens, Harrison Dabin and Trent Carter as Woonona powered towards its impressive result of all out for 233 runs off 39.4 overs.

Corrimal’s run chase was also thrilling as its best player Nathan Tremel smashed plenty of fours and sixes in his amazing 140 runs not out. He opened the innings but eventually ran out of batting partners and the match was over with Corrimal all out for 173.

Conor Gray took 4 wickets, Jack Donnelly 2 wickets, Isaac 1 wickets along with a couple of run outs including the final moment where Trent Carter deflected the ball onto the stumps with his foot.

Mr Holliday (H/T Mathematics)

Woonona High School keeps “cool”

It’s been a long hot summer and Thursday 25th February was one of the hottest. As the temperature soared well above 35oC students took their lunch break and sought out the coolest spots in the playground, under trees, under the COLA and in the canteen area.

Ms Wall (our “cool” Principal), on sensing some heat discomfort amongst our students decided that EVERY STUDENT in the school should be treated to a nice cooling ice block and preceded to have her staff distribute over 600 “Lip Stick” ice blocks amongst students. To say the students were appreciative of this gesture is an understatement! All ice blocks were thoroughly enjoyed and made afternoon lessons that much more pleasant.
VALENTINES DAY IN HOSPITALITY

Our Hospitality classes were busy recently when they decided to honour St Valentines Day with some special creations. Year 8 Hospitality class made some beautiful cupcakes decorated with icing and pink love hearts. The cakes were a hit and there wasn’t too many left after the class had sampled their creations.

The Year 12 Hospitality class took on the technical challenge of creating “Hidden Hearts” cakes with some spectacular results. The “Hidden Hearts” cakes had a dark chocolate heart centre with a vanilla cake surround. Not an easy challenge, but the results were impressive.

NO FINGERS LOST!

Year 8 Hospitality have been learning the finer points of dicing and chopping. Under the careful guidance of Hospitality teacher Mr De Main the students learnt the correct way to safely chop and dice an assortment of vegetables.

Mr De Main explained that there is a safe way of holding the knife and the vegetable in order not to sustain any cutting injury. We are happy to report that the class passed this exercise and that all students in Year 8 Hospitality still have ten fingers. Well done.
Last year under the inspiration of Mrs Mete (Food Technology Assistant) and Mrs Jean Thompson (Corrimal Rotary) students, families and staff at Woonona High School fully supported the fundraising efforts that were held here to support the earthquake victims of Nepal.

One of the many initiatives that were instigated was a blanket drive.

After the quakes that devastated Nepal, thousands of people were left homeless or living in make shift shacks. No only were so many homeless but they were also facing the prospect of sub zero temperatures with the approaching winter. Our school community was asked for donations of blankets that would help these people in need.

Once again (as with all our fundraising efforts) the response was fantastic and many blankets were collected. These have now been passed on to the people of Nepal. As can be seen from the photos above, the donations that came from many areas of Australia, including Woonona High School, were very much appreciated.

Throughout last year, Woonona High School SRC and Mrs Mete held many fundraising activities for the Nepalese people. There were lots of cupcakes and pastry stalls held at the canteen, red lolly day, a “Change for Change” initiative where staff and students donated their change from purchases at the canteen and a clothing appeal.

Mrs Mete and the SRC did a remarkable job raising money and goods for Nepal and inspiring the whole Woonona High School community to donate and be involved. Well done.
Our summer sport recreation unit will finish on Wednesday the 16th March. Selection trials for our term 2 and term 3 sports will commence after this. In Term 2 and Term 3 our winter sport unit concentrates on students playing team sports. Selections will occur for students who wish to play in our grade teams against the other Northern Zone schools. The format for these sports are: Year 7 and Year 8 students can trial for junior teams and Year 9 and Year 10 students will trial for senior teams. Buses are ordered to transport our teams to central venues during sport time. The cost of travel was $5 each week and it is hoped that this cost will not increase. The sports offered are:

**GIRLS** - junior and senior soccer, junior and senior oz tag, junior and senior basketball, junior and senior netball, junior and senior tennis and open ultimate frisbee and junior and senior volleyball

**BOYS** - junior and senior soccer, junior and senior oz tag, junior and senior basketball, junior and senior volleyball, open ultimate frisbee and junior and senior tennis.

**MIXED TEAMS** - Darts, slow pitch softball and lawn bowls.

Students who are unsuccessful in being chosen for a school team will participate in team sports at school.

---

**SOUTH COAST SELECTIONS**

Congratulations to Hayley Walker on her selection in the Open South Coast girls tennis team. Hayley will be competing against much older girls in the State carnival as Hayley has made the open team and is in Year 10!

---

**SCHOOL CROSS COUNTRY**

Our school cross country carnival is being held on Wednesday 23rd March. All students will attend the carnival during our normal sport afternoon. The carnival is held at Nicholson Park and surrounding area. Parents and careers are welcome to come and be part of this exciting event.
Congratulations to the following students on their success at our school swimming carnival:

**CENTRAL AUSTRALIA “SPLENDOURS OF THE OUTBACK” EXCURSION 2016**

Dear Parents / Carers

A reminder from Mr Russell Locke (HIE Teacher & Excursion Coordinator):

The next instalment for the 2016 Central Australia excursion is now due. Payments can be made at the Front Office or online.
BOOK CLUB

This fortnight I reviewed the book *One* by Sarah Crossan. Grace and Tippi are conjoined twins, joined at the waist, defying the odds of survival for sixteen years. They share everything, and they are everything to each other. They would never imagine being apart. But something is happening to them. And Grace doesn’t want to admit it. Not even to Tippi.

How long can they hide from the truth—how long before they must face the most impossible choice of their lives? A heart-warming story and well worth a read.

Ms Epton an avid reader and a regular guest speaker, decided to talk about the importance of reading.

THE MANGA CLUB

The Manga Club also encourages drawing of Manga/Anime characters. This fortnight Ella showed us her drawings of Honey Senpai and Eevee, a Pokémon species.

Jordan Nicholson, our Manga President, discussed the Manga series *Fairytale*. The series follows the adventures of the seventeen-year-old celestial wizard *Lucy Heartfilia*, as she joins the titular guild and partners with Natsu Dragneel, who is searching for the dragon Igneel. On their journey, they are tasked with completing missions requested by people and collect money for rewards, such as hunting monsters and fighting illegal guilds called dark guilds.
It is only the start of the year and unfortunately there has been a number of road and traffic incidents which need to be discussed. There have been 3 accidents involving students on bicycles commuting to and from school. Two of these accidents involved vehicles and in the 3rd incident the student concerned lost control of his bicycle before crashing. Fortunately, each student only received minor injuries and each was wearing a helmet as required by law. Families are reminded that there are new state laws coming into force on the 1st March, 2016 which will dramatically increase the fines for bicycle riders without a helmet and also for not obeying rules such as stopping at stop signs.

Parents and carers are reminded that extreme care needs to be taken when dropping off and picking up students at the start and the end of the day. Drivers are requested not to drop their students at the main school entrance gates or to drive into the school to drop off students. This causes massive congestion and is extremely dangerous when many students are arriving or leaving school. It is requested that parents drop their children in Liddle Street or further along Nicholsons Road.

It is also requested that students using the Nicholsons Road entrance, enter and leave the school by using the pathway and not walking on the roadway where teachers and other staff are driving.

N.Brophy (Acting Deputy Principal.)
Thirroul Readers and Writers Festival
On the Edge

WRITING COMPETITION

Open section

Using this picture as inspiration write an original story up to 1,000 words.

Photo by Hal Pratt

See Festival website for full conditions:
http://thirroulreadersandwritersfestival.org/
Send your entry to:
Thirroul Readers and Writers Festival, c/- Ann Collaery, 33 Park Rd, Bulli 2516
by 30th June, 2016

Prizes: book by one of the Festival authors, chance to talk about your writing with an author, free entry to the Thirroul Readers and Writers Festival for you and a friend or relative.
**SCHOOL DIARIES**

A reminder to students to pay $15.00 at the front office for your 2016 School Diary.

Your diary is a very important tool in keeping you organised and it is a great way for teachers and your parents / carers to communicate.

Year 7 students please note: If you purchased a Year 7 Book Pack for school, the cost of your diary was included so you do not need to pay a further $15.00.

Thankyou
Mr Rayner

**PARENT ONLINE PAYMENTS**

A message from Westpac:

We are pleased to advise that POP is now user friendly on mobile devices.

Behind the scenes Westpac has been working on an upgrade to the Parent Online Payment webpage attached to the school’s website. In the past using the “$ Make a payment” page through a mobile device or tablet has not been as easy as on a computer. Now, automatically, when parents click on this page, via a mobile device, they will be able to complete the online form with ease.

**MathsOnline**

*mathsonline.com.au* is now available for 2016!

Existing Users must renew their subscription by 1st March.

This computer tutor became very popular with many students in 2015. It provides clear video lessons and covers all mathematical concepts presented in NSW schools across all levels from kindergarten to year 12. Simple practice worksheets with model solutions are also provided.

It costs only $20 per student.

This grants the student a year long subscription.

How to join:
1) Simply pay $20 at the Woonona HS front office for Mathsonline.
2) Students then take their receipt and present it at the Maths Staffroom.
3) Students receive an account number and password from Mr Holliday.

**MATHEMATICS EXCEL WORKBOOKS 2016—Available for all Year 11 & 12 students!**

These books have proven that they boost student’s confidence and results.

All senior students at Woonona H.S. will use these books in 2016. Students who purchase the book will enjoy the convenience of writing in the workbooks.

The books contain a great variety of questions along with practice HSC style exams.

A shipment has been ordered and will be available for all senior year 11 and 12 mathematics students.

Only $20

Pay now at the front office. Show your mathematics teacher your receipt and pick yours up today.
