YEAR 7 CAPA CLASS 2017

INFORMATION FOR PARENTS

Woonona High School is a vibrant and innovative, proudly comprehensive high school that values strong community partnerships. Student success is driven by excellence in teaching and learning delivered by world class educators in a safe and supportive learning environment. Our students are confident, creative individuals who enrich our local and global community.

The introduction of a highly successful Enrichment Class for our most able students in Year 7 has led to the implementation of enrichment classes in all core classes Years 8 - 10. Students, teachers and parents involved have commended the initiative and feel that it has made a difference to the learning of the students. In 2017, our school has decided to introduce another enrichment initiative to run parallel to the existing enrichment class - the Capa Enrichment Class.

Our school welcomes applications from students enrolled at our school for Year 7 for the Capa Enrichment Class. This document contains all the information regarding the application process.
